Who we are

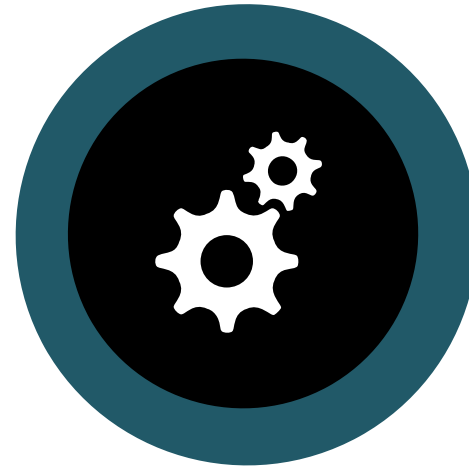

Women in Mining Business South Africa (WiMBIZ) was founded in 2021 by a group of forward-looking women who heeded the call of industry patrons to form an organisation that represents the interest of women entrepreneurs in mining.

Founded solely with the purpose to provide a platform for women entrepreneurs to unilaterally access opportunities across the mining value chain, today WiMBIZ has a membership base of 300+ women-owned, operated, and managed companies.

WiMBIZ has formed partnerships with various organisations to ensure that members receive the support they require to grow and sustain their businesses through the following interventions:

- Access to finance
- Business Compliance
- Business Advisory and Support
- Coaching and Networking
- Enterprise Supplier Development (ESD)

STRATEGIC PARTNERS
